O R D E R

The United States appeals the district court's denial of its motion to admit documents in this criminal case involving terrorism charges. The United States moves to expedite submission and oral argument.

The motion is GRANTED IN PART, insofar as upon the completion of briefing, the appeal will be submitted to the court at the earliest practicable date that the court's schedule will permit. The determinations of when and whether oral argument will be held and whether to expedite the issuance of a decision are reserved to the merits panel to which this appeal will be assigned. In light of expediting submission, the parties are cautioned that no briefing extensions will be considered, absent extraordinary circumstances, which must be established by motion.
